**Pre-Law Scholarship Applications**

The MSU pre-law committee is accepting applications for the Merkle Pre-Law Scholarship. This scholarship is the result of a gift given by Wichita Falls attorney Greg Merkle. The committee will recommend one or more applicants for a scholarship up to $600. Students should send an email to kris.tilker@mwsu.edu requesting an application and faculty recommendation forms if interested in applying. The deadline for application is Friday, February 15.

**Not Too Late for Flu Shot**

The most recent CDC report indicates widespread, high levels of flu activity in Texas. Flu really got started the week before Christmas and has been increasing steadily since. Faculty and staff who have not received a flu shot are encouraged to do so before students return, as the congregation of people returning from the semester break will likely produce increased flu circulation on campus. Contact the Vinson Health Center at ext. 4604 for more information.
