# Around Campus

**World Book Night**

On Tuesday, April 23, Moffett Library will join with Wichita Falls Public Library for its first World Book Night(WBN). WBN is an annual celebration dedicated to spreading the joy of reading, person to person. Each year on April 23, tens of thousands of people go out into their communities and give half a million free World Book Night paperbacks to light and non-readers. In 2012, World Book Night was celebrated in the U.S., the UK, Ireland, and Germany. World Book Night is about giving books and encouraging reading in those who don’t regularly do so. But it is also about more than that: It’s about people, communities and connections, about reaching out to others and touching lives in the simplest of ways — through the sharing of stories.

Moffett Library will participate with having friendly staff approach total strangers and share both a free book and the power storytelling still has in a digital world. Don’t be afraid when you see us. We come in peace. Contact Andrea Williams at ext. 4698 for more information. Stop by the library and see what book was chosen.
