CAMPUS NEWS

Department of World Languages and Cultures

The Department of Foreign Languages has officially changed its name to Department of World Languages and Cultures. The program has evolved through the years, and the change of name only reflects how second language studies have developed in recent years. Teaching a second language involves much more than simply drilling vocabulary words and grammar rules; studying a second language encompasses learning about history, literature, film, and many other sometimes subtle aspects of culture which get at the heart and soul of who a person is (as Oliver Wendell Holmes so aptly noted). In the evermore interconnected world, languages are no longer a foreign matter, and the goal is to keep up with the times, giving our students better tools and cultural understandings to deal with the everyday needs that they will face in the real, as well as virtual, world.

Winners Named in Library Research Scholars Program

Moffett Library observed its fourth annual reception honoring the winners of the Library Research Scholars program for undergraduate students.

First place: Evolution and Diversity of Viruses (panel) – Alla Cerreta, Georgia Dubose, Alexis Ruger, and Dakota Tolleson.

The library appreciates the work of judges Dr. Mark Farris, Dr. Peter Fields, Dr. Dittika Gupta, Dr. Kirsten Lodge, and Dr. Whitney Snow whose work in evaluating these projects makes all this possible.

IN THE SPOTLIGHT

Andrew J. Allen, Assistant Professor of Music, performed at the 17th annual edition of Electronic Music Midwest, held on the campus of Kansas City Kansas Community College from September 21-23. This conference has become one of the leading performance venues for new electronic and electroacoustic classical music in the country. Allen performed Balloonman for tenor saxophone and electronics, a work based on the e.e. cummings poem “In Just,” and written by Dr. Anne Neikirk, Assistant Professor of Music at Norfolk State University in Virginia. The piece was written for and is dedicated to Allen.
