Mission Statement

The Master of Arts with a major in human resource development, which requires 39 semester hours, is designed to prepare individuals to work in business, industry, or government in employee assistance, training, or employee development programs.

Upon completion of this degree students will have the foundation to impart knowledge, change attitudes, and increase skills.

Electives  Six (6) semester hours of electives must be approved in advance by the program coordinator for human resource development.

Please Note the Following:
Students enrolled in the Master of Arts in Human Resource Development at our off-campus locations may substitute approved courses for the following courses:

- COUN 5113 Mediation and Conflict Resolution
- COUN 5203 Introduction to Counseling
- COUN 5373 Human Resource Development Ethical Issues
- COUN 6943 Seminar in Human Resource Development
