How do I make the most of my tutoring session?

Bring all relevant materials
- Textbook
- Notes
- Assignment sheet
- Drafts, past exams, etc

Do your assigned reading and what you can of your homework before the session.
- Your tutor is not going to do your homework for you.

Don't wait until the last minute!

Set reasonable goals for short and long-term goals for your session.
- Have specific questions or concepts to discuss with your tutor.

Ask about good study tips!
