Semester Art Courses - Painting

The Center for CONTINUING EDUCATION

MIDWESTERN STATE UNIVERSITY.

SPRING 2016
The Center for Continuing Education offers quality, diverse learning experiences for members of the community who wish to access the resources of the university in nontraditional ways. We offer a variety of enrichment courses, online development, and Continuing Education Units (CEUs). The center facilitates the public service mission of Midwestern State University through extension of center resources to audiences other than students enrolled for resident credit. The center’s functions and programs include:

- **Continuing Education or Mini-courses** - non-credit short courses offered to the general public for topics such as art, computer, dance, language, and online certification courses.

- **Community Enrichment Events** - non-credit special events including guest speakers, collections, presentations, film series, and special interest trips.

- **Continuing Education Units (CEUs)** - CEUs are beneficial if you need a record of non-degree learning experiences. Employers and professional associations increasingly recognize the CEU as a means of measuring substantive in-service education and training as well as serving to fulfill re-certification requirements. **CEUs do not count toward a degree.** Midwestern State University awards CEUs as appropriate for participation in conferences, seminars, workshops, and short courses. Participants would include health care and social service professionals, real estate agents, and others. One CEU is equivalent to ten contact hours.

- **Professional Development** - Conferences are scheduled throughout the year for professional groups to provide CE hours or re-certification. CE hours awarded that conform to board standards and requirements would include professions such as CPAs, social workers, licensed counselors, and real estate agents.

If the Center for Continuing Education cancels a course, a full refund will be issued. Every effort is made to contact participants if an activity is cancelled.

**Equal Opportunity Employer/American Disabilities Act** - Midwestern State University is an affirmative action/equal opportunity educational institution and employer. Its students are selected and/or assigned without regard to their race, age, color, gender, religion, national origin, or disability consistent with Titles IV, VI and VII of the Civil Rights Act of 1964, Titles IV and IX of the Higher Education Act as amended by Executive Order 11375, Section 504, Rehabilitation Act of 1973 PL-93-112, and Americans with Disabilities Act of 1990.
