The State of Texas offers a valuable benefits package to help protect your health and secure your future. As an active state agency or higher education institution employee, you have the chance to make changes to your benefits during Summer Enrollment.

Even if you don’t think you want to make any changes, be sure to read this booklet and learn more about your options and any changes for Plan Year 2018. You are responsible for understanding how your benefits work and how your decisions may affect what you pay for health care and other benefits.

What can you do during Summer Enrollment?

☐ Switch your health insurance coverage. As an active employee, you can switch between HealthSelect℠ of Texas and Consumer Directed HealthSelect℠. If you live or work in a county served by an HMO, you also have the option of switching between a HealthSelect plan and an HMO. For information about your health insurance options, see pages 4-6. A chart comparing coverage is on pages 8-9.

☐ Add or remove dependents from your coverage. If you have not already, you will need to verify that each dependent you add to your medical insurance is eligible for coverage. If you don’t verify each dependent, he or she will be removed from all coverage (Medical, Dental, Vision and/or Dependent Life). For more information, see page 3.

☐ Add or drop vision and dental coverage for yourself and your dependents. For information about vision and dental options, see pages 10-12.

☐ Enroll in a TexFlex flexible spending account or change your contribution level. You have the option of enrolling in accounts for health care; dependent day care; parking and transit costs for your commute to work and, if you enroll in Consumer Directed HealthSelect, a limited flexible spending account to pay for eligible vision and/or dental expenses. Flexible spending accounts lower your taxable income to save you money. See page 13.

☐ Apply for, increase, decrease or drop life insurance coverage. If you want to enroll in or increase your coverage, you will need to provide evidence of insurability. See page 14.

☐ Apply for or drop a dependent term life insurance plan for your dependents. You will need to provide evidence of insurability for each new dependent. See page 14.

☐ Enroll in, increase or drop Voluntary Accidental Death & Dismemberment (AD&D) coverage. Evidence of insurability is not required. See page 14.

☐ Apply for or drop short-term or long-term disability coverage. To enroll, you will need to provide evidence of insurability. See page 15.

☐ If you're enrolling in health insurance for yourself or a dependent, certify tobacco use or non-use. This certification is required when you enroll in health insurance through ERS, and it's legally binding. If you have already certified tobacco-use status, you do not need to re-certify unless the status has changed for you or your dependents. You can change your status at any time during the plan year. For more information, including alternatives to the tobacco user premium, see page 6.

2017 Summer Enrollment dates: June 26-July 28, 2017

Your agency or institution is in one of four phases during Summer Enrollment. Please make your benefit changes during your two-week phase, which is listed on your Personal Benefits Enrollment Statement.

If you are a return-to-work retiree, you can switch between retiree and active benefits by contacting your agency’s benefits coordinator or Human Resources office. If you work for the Health and Human Services Commission Enterprise please contact the HHS Employee Service Center before July 28.
What’s new!

• Beginning September 1, 2017, Scott & White Health Plan will no longer be available as a health plan option if you live or work in the following counties: Coke, Coleman, Concho, Crockett, Irion, Kimble, Mason, McCulloch, Menard, Reagan, Runnels, Schleicher, Sterling, Sutton and Tom Green. If you live or work in one of these counties and are currently enrolled in Scott & White Health Plan, you will automatically be enrolled in HealthSelect of Texas unless you enroll in Consumer Directed HealthSelect during Summer Enrollment. You should have received a letter to notify you of this change.

• The IRS has increased the contribution limits for TexFlex health care and limited flexible spending accounts from $2,550 to $2,600. If you want to increase your annual contribution, you need to do so during Summer Enrollment.

• Beginning September 1, 2017, if you are in HealthSelect of Texas or HealthSelect Out-of-State, you will no longer have a copayment if you consult a network virtual visits doctor online. Learn more about convenient, money-saving virtual visits at www.bcbstx.com/hs under Value Added Benefits.

On September 1, 2017, Blue Cross and Blue Shield of Texas (BCBSTX) will become the new plan administrator for HealthSelect of Texas and Consumer Directed HealthSelect. Most benefits and requirements for HealthSelect of Texas and Consumer Directed HealthSelect will not change. If you are enrolled in an HMO, HealthSelect Medicare Advantage or KelseyCare Advantage you will not be affected.

• The HealthSelect provider network includes more than 50,000 health professionals, hospitals and other facilities throughout Texas. Most doctors and other providers who are in the current HealthSelect network will still be in the network as of September 1, 2017. However, some will not. To find out which providers have signed on to be in the HealthSelect network as of September 1, 2017 go to Find a Provider at www.bcbstx.com/hs and click on Find a doctor or hospital. Then click on the box that applies to your health plan. You can also speak with a BCBSTX Personal Health Assistant by calling (800) 252-8039. To nominate a provider to be added to the HealthSelect network, go to www.bcbstx.com/hs and click on Publications and Forms.

• If your current primary care physician (PCP) will still be in the HealthSelect network, you do not need to take any action.

• If you are enrolled in Consumer Directed HealthSelect or HealthSelect Out-of-State you do not need to designate a PCP.

• If you are enrolled in HealthSelect of Texas and do not designate a PCP who is in the HealthSelect network, you could pay more – possibly much more – for your health care. Call a BCBSTX Personal Health Assistant at (800) 252-8039 to designate your PCP or for help finding one.

• BCBSTX will mail new medical ID cards to all HealthSelect of Texas and Consumer Directed HealthSelect participants in late August. You should continue to use your current health plan ID card until August 31, 2017.

For information or answers to general questions about HealthSelect benefits, network providers, referrals and prior authorizations, or other plan details, go to www.bcbstx.com/hs or call a BCBSTX Personal Health Assistant at (800) 252-8039, Monday – Friday, 7 a.m. - 7 p.m. CT or Saturday 7 a.m. - 3 p.m. CT.
No benefit changes?
If you do not want to make any changes to your benefits, you do not need to take any action. Your benefit elections, including your annual election amounts for TexFlex flexible spending accounts, will not change.

Need to make benefits changes?
You can make or request changes to your benefits in one of three ways:

- Go to www.ers.state.tx.us and sign in to your online account. After you log in, be sure to confirm that your contact information is correct. Verify the Social Security number and date of birth for each of your dependents. Click on Benefits Enrollment to begin making your Summer Enrollment changes.

- If you need to make benefit changes but do not have internet access, contact your agency’s or institution’s Human Resources office or benefits coordinator. If you are an HHS Enterprise employee, contact the HHS Employee Service Center at (888) 894-4747.

- Call ERS toll-free at (866) 399-6908. Please be sure to call during your two-week enrollment phase, which is listed on your Personal Benefits Enrollment Statement.

Dependent eligibility and verification
When you select your online changes, you’ll be asked to certify that each of your dependent children is eligible for Texas Employees Group Benefits Program (GBP) coverage unless you’ve already certified each dependent. You can’t enroll new dependent children until you complete the online certification. If you enroll any new dependents, including a spouse, in health coverage, you’ll be required to provide documentation, such as a marriage license or birth certificate, verifying that each dependent is eligible. To enroll a common law spouse, you must obtain a Declaration of Informal Marriage from the county courthouse with a registration date prior to the date of your spouse’s enrollment in the GBP.

Aon Hewitt, a company that is working with ERS to conduct the dependent eligibility verification, will mail a letter that outlines the steps in the verification process, and lists the dependents who need to be verified, the documentation needed and the deadlines for submitting documentation. If you have questions about the dependent eligibility verification, contact Aon Hewitt Dependent Verification Center toll-free at (800) 987-6605.

Opt out of health insurance and prescription drug coverage
If you can certify that you already have other health insurance that is equal to or better than coverage offered through ERS, you can sign up for a monthly health insurance Opt-Out Credit of up to $60 for full-time employees and $30 for part-time employees.

You must be eligible for the state contribution toward your health insurance premium to qualify for the Opt-Out Credit. This credit must be applied to your dental insurance and/or Voluntary Accidental Death & Dismemberment insurance premiums. It cannot be applied to premiums for the State of Texas Dental Discount Plan or State of Texas Vision.

The health insurance Opt-Out Credit is not available if:
• your other insurance is Medicare,
• you have health insurance coverage through ERS as a dependent, or
• you receive a state contribution for other insurance coverage.

IMPORTANT: If you waive or opt-out of your health plan, you give up your prescription coverage and will no longer have Basic Term Life Insurance coverage. If you lose your other health insurance coverage, it is a qualifying life event, and you may enroll in health coverage offered through ERS if you sign up within 31 days of losing your other health insurance coverage.
HealthSelect of Texas and Consumer Directed HealthSelect

No matter where you live or work, you can choose between HealthSelect of Texas and Consumer Directed HealthSelect medical plans for you and your eligible dependents. With both plans, you have access to a provider network of more than 50,000 providers in Texas. Both plans include a comprehensive prescription drug program administered by OptumRx.

On September 1, 2017, Blue Cross and Blue Shield of Texas will become the medical plan administrator for both plans. ERS sets the benefits and pays the claims, while BCBSTX manages the provider network, processes claims and provides customer service.

Health care can be expensive, but ERS works to keep costs as low as possible. You can help lower your costs by making sure your providers are in the HealthSelect network when you use your medical coverage. Keep in mind that, even if a hospital is in the HealthSelect network, doctors and other providers who practice at that hospital may not be. Be sure to find out if all your providers are in the HealthSelect network before your treatment or procedure. To find out if a doctor, hospital or other provider is in the HealthSelect network, go to www.bcbstx.com/hs and click on “Find a doctor or hospital” in the “Find a Provider” box. and click on Find a Provider. If a provider is not in the HealthSelect network, notify your PCP and ask if a network provider is available.

- You do not have to meet a deductible amount before the plan begins to pay if your provider is in the HealthSelect network.

<table>
<thead>

<th>Family Coverage</th>
</tr>
</thead>
<tbody>
<tr>
<td>In-network</td>
<td>$0</td>
<td>$0</td>
</tr>
<tr>
<td>Out-of-network</td>
<td>$500</td>
<td>$1,500</td>
</tr>
</tbody>
</table>

- You are responsible for copayments for doctor and hospital visits and other medical services, such as outpatient surgery and high-tech radiology.

To save money with the plan, you need to designate a primary care physician (PCP).

- If you live or work in Texas, you need a referral from your PCP to an in-network specialist or facility to receive in-network benefits. If you do not get a referral from your PCP, you could pay more for your treatment, even if the provider is in the HealthSelect network.

You do not need a referral for:
- eye exams (both routine and diagnostic),
- OB/GYN visits,
- mental health counseling,
- chiropractic visits,
- occupational therapy, speech therapy and physical therapy, and
- virtual visits, urgent care centers and convenience care clinics.

It pays to stay in the network!

All health plans managed by ERS are network-based, which means you’ll pay less – sometimes a lot less – if you see a provider in the network.

Here’s an example of the difference in what you might pay for an in-network and out-of-network doctor visit for non-preventive care if you’re in HealthSelect of Texas. This is an example and not a true estimate of costs you would pay by going out-of-network if you have not met your deductible. For more information see the Health Plan Comparison Chart on pages 8-9.
Consumer Directed HealthSelect is a high-deductible health plan paired with a tax-free health savings account (HSA). The high deductible means you could have higher out-of-pocket costs before your health plan begins to pay for coverage. It’s available to Texas Employees Group Benefits Program (GBP) participants who are not enrolled in Medicare.

- You do not need to designate a PCP or get a referral to see a specialist, but you generally will pay less for care – sometimes much less – if you see a provider who is in the HealthSelect network.
- The monthly dependent premium is lower than HealthSelect of Texas. But you pay the full cost of doctor visits, prescriptions, hospital stays and any other non-preventive health service or product until you have reached the annual deductible. (See deductible amounts below.)
- After you have met the deductible, you pay coinsurance (20% in-network, 40% out-of-network) for medical services and prescriptions rather than a copayment.
- Deductibles are based on the calendar year and reset January 1 of each year.

### Health savings account (HSA)

An HSA is like a tax-free nest egg for health care expenses. You can use money in your HSA to pay for eligible out-of-pocket health expenses.

- To help cover your out-of-pocket health costs, the state makes a monthly contribution to the HSA of every member enrolled in Consumer Directed HealthSelect: $45 for an individual ($540 per year) or $90 for a family ($1,080 per year) in Plan Year 2018.
- You can make pre-tax contributions to your HSA through payroll deductions. The IRS sets the maximum contribution amount each year. The annual maximum contribution limit for 2018 is $3,450 for individuals and $6,900 for families. If you are age 50 or older, you can also make a $1,000 “catch-up” contribution each year.
- All the money in your HSA carries over from one year to the next – there is no use-it-or-lose-it rule, and you can keep the funds if you change health plans or leave state employment.

### HSA contributions and maximums* for 2018

</tbody>
</table>

*HSA contributions and limits may change from year to year, or based on eligibility requirements and the participant’s age. Maximums are set by the IRS and include both pre-tax and post-tax contributions to an HSA.

**Includes the member plus any number of dependents enrolled in Consumer Directed HealthSelect.

### Thinking about enrolling in Consumer Directed HealthSelect?

The key benefits of Consumer Directed HealthSelect are:

- the ability to save money, tax free, in your HSA for health care costs now or far in the future, and
- the state’s contribution to your HSA (if you’re eligible): $540 a year for an individual or $1,080 for a family.

For some people, it could be a great way to save money and lower your taxable income. But you will be responsible for all of your non-preventive health care costs until you meet the annual deductible.

Optum Bank administers the HSA program. If you enroll in Consumer Directed HealthSelect, you need to open an Optum Bank HSA as soon as possible so that state contributions and other funds can be deposited into your account. You will get a debit card from Optum Bank to pay for health expenses. You will have access only to the amount of money that has accumulated in your HSA, and not funds that have been pledged to be deposited in the future. You should review IRS guidelines or consult a tax advisor to make sure you are eligible to participate in an HSA. For more information, visit [www.ers.state.tx.us/Employees/Health/CDHS/HSA/](http://www.ers.state.tx.us/Employees/Health/CDHS/HSA/)
HMOs

If you live or work in an eligible county, you have the option of enrolling in an HMO. These regional plans have smaller networks than the HealthSelect plans. But they cover the same care and services as HealthSelect and generally have lower dependent premiums.

- You must use providers (such as doctors and hospitals) in the HMO network for your services to be covered, unless the health plan has authorized out-of-network treatment. Only emergency care services are covered outside the network.
- HMOs have their own prescription drug coverage. The annual drug deductible is $50 per person per plan year, which resets on September 1.

Out-of-pocket limits

To help protect you from catastrophic health costs, all five health plans have a network out-of-pocket maximum of $6,650 for individuals and $13,300 for families. This is the maximum amount you will pay in one year for network copays, coinsurance, prescriptions, deductibles and other qualified health care expenses. Once you reach this maximum, the plan pays 100% of covered health expenses for the rest of the year. Only Consumer Directed HealthSelect has an out-of-network out-of-pocket maximum (individual: $13,100; family: $26,200).

All participants enrolled in health insurance plans offered through ERS must certify their status as tobacco users or non-users. If you are a tobacco user, you may qualify for an alternative to the Tobacco User Premium, if it complies with your doctor’s recommendations. For more information, see the ERS Tobacco policy on ERS website at [www.ers.state.tx.us/Employees/Health/Tobacco_Policy](http://www.ers.state.tx.us/Employees/Health/Tobacco_Policy) or contact ERS toll-free at (866) 399-6908.
Prescription drug coverage

Your health insurance plan includes coverage for prescription drugs. If you are enrolled in HealthSelect of Texas or Consumer Directed HealthSelect, you will receive separate ID cards for medical (Blue Cross and Blue Shield of Texas) and prescription drug (OptumRx) coverage in late August. Please use these separate ID cards beginning September 1, 2017.

Beginning August 1, HealthSelect Prescription Drug Program will have a new phone number. You can find this number on the new prescription ID card that OptumRx will mail you in August.

Prescription drugs are divided into three tiers, with different copays for each tier.

- Tier 1 are usually inexpensive medications, such as generic drugs.
- Tier 2 are usually lower-cost preferred brand-name drugs.
- Tier 3 are non-preferred brand-name drugs with a high cost.

| Brand-name drug payment| If a generic drug is available and you choose the brand-name drug, you will pay the Tier 1 copay or coinsurance, as applicable, plus the difference in cost to the plan between the brand-name drug and the generic drug. | **A retail maintenance fee is an additional charge for filling a 30-day supply or less of maintenance medications, which are prescriptions you take regularly.

**An Extended Days Supply (EDS) means a pharmacy can dispense up to a 90-day supply of maintenance prescription drugs at one time.

To find out which pharmacies you can use under each plan, visit the plan website.

1 Benefits are paid on allowable amounts; using providers who contract with Blue Cross Blue and Shield of Texas will protect you from liability for amounts over the allowable amount. 5 HealthSelect Out-of-State applies to employees and retirees under age 65 and their eligible dependents who live or work outside of Texas. You cannot enroll in Out-of-State coverage unless your work or home address is outside of Texas. 4 Does not include copays. 10 Out-patient testing only. Does not apply to inpatient services. 5 Active employees only; see health plan for additional requirements/limitations. 11 The deductible and coinsurance paid for bariatric surgery does not apply to the total out-of-pocket maximum. 2 No copay if high-tech radiology is performed during ER visit or inpatient admission. 6 Out-of-pocket maximums are not mutually exclusive from other out-of-pocket limits. This means that a participant’s total network out-of-pocket maximum could contain a combination of coinsurance and/or copayments. (For example, a participant could pay up to $6,550 in copayments alone if there was no coinsurance paid throughout the year. If a participant met the $2,000 coinsurance out-of-pocket maximum, he/she would pay $4,550 in copayments, totaling $8,550 in overall out-of-pocket expense.) 12 Preshortage required.
Dental Plans

**State of Texas Dental Choice**
This is a preferred provider organization (PPO) dental insurance plan.
- You can see any provider, but you will pay less if you see one who is in the HumanaDental PPO.
- Benefits are available in the United States and Canada, and Mexico if you live in the United States.

**HumanaDental Dental Health Maintenance Organization**
This is a dental health maintenance organization (DHMO) dental insurance plan.
- Coverage applies only to dentists in the Texas service area. Before you enroll, make sure there is a DHMO network dentist in your area.
- You must select a primary care dentist (PCD) from a list of approved providers. You and your enrolled dependents can choose different primary care dentists.
- Services from participating specialty dentists cost 25% less than the dentist's usual charge.

**State of Texas Dental Discount Plan℠**
This is not a dental insurance plan.
- You receive discounted prices – 20% to 60% off – on usual charges for dental treatment and services at participating providers.
- There are no claim forms, copays, deductibles, annual maximums or limits on use.

NOTE: The comparison chart is a summary of the benefits offered by the two dental insurance plans. See plan booklet for actual coverage and limitations. Prior to starting treatment, discuss with your dentist the treatment plan and all charges.

1. This comparison chart reflects participant responsibility for services received from participating primary care dentists only. Services from participating specialty dentists are 25% less than the dentist’s usual charge.

2. In the State of Texas Dental Choice Plan PPO, deductibles and annual maximums are per calendar year. Non-participating dentists can bill you for charges above the amount covered by your HumanaDental plan. To ensure you do not receive additional charges, visit a participating PPO network dentist.

3. Services received after the maximum calendar year benefit is reached will be paid at 40% coinsurance by the plan.
Your health insurance plan covers some vision and eye health services, including an annual eye exam and treatment for diseases of the eye. But it does not cover the cost of eyeglasses or contact lenses.

You and your eligible dependents can enroll in State of Texas Vision for an additional monthly premium. For a set copay amount, State of Texas Vision offers an eye exam, contact lens fitting, and other options (such single vision lenses or ultraviolet coating). State of Texas Vision offers an allowance on the cost of eyeglasses or contact lenses as well as discounts for LASIK. For a complete list of plan benefits and a list of providers, visit www.stateoftexasvision.com.

All benefits listed are available annually, unless indicated, using network providers.

¹ This is for network providers only in the HealthSelect of Texas In-Area plan. Benefits differ for non-network providers and the out-of-area plan. See your health plan materials for details.

² After the deductible is met, you will pay 20% coinsurance for network providers only (40% coinsurance for non-network providers).

³ Members can go to any Community First network doctor for their eye exam.

⁴ Cost savings when using OptiCare vision providers. Frame discounts are not available if the frame manufacturer prohibits the discount.

⁵ Contact lenses are in lieu of eyeglass lenses and frames benefit.

All costs and allowances are retail; you are responsible for any charges in excess of the retail allowances.

**Note:** Besides the eye exam, the additional offerings through the health plans are value added benefits. ERS does not guarantee the length of time that a specific value added product will be offered.
Financial planners and tax advisors encourage people to save money on taxes by lowering their taxable income. ERS offers you opportunities to follow this advice. By participating in one or more of the TexFlex flexible spending accounts, you can set aside money pre-tax from your paycheck, to cover eligible out-of-pocket health care, dependent care and commuting expenses. Each month, your defined TexFlex contribution is automatically withdrawn from your paycheck and deposited into your account.

Once your account is set up, you can make changes to your TexFlex contribution only during Summer Enrollment, unless you have a qualifying life event during the plan year. (This does not apply to the Commuter Spending Account. You can make changes to your Commuter Spending Account elections at any time.) If you do not make a change during Summer Enrollment, your account elections will stay the same.

After you enroll in a TexFlex health care or TexFlex limited account account, you will receive a debit card in the mail. You can use it to pay for eligible expenses. There is no cost to you to use the debit card.

Because TexFlex accounts are tax-free, the Internal Revenue Service (IRS) requires all purchases with TexFlex funds to be validated. WageWorks, the new TexFlex plan administrator, may ask you to submit proof that you used your TexFlex funds to pay for eligible expenses. Please be sure to SAVE YOUR RECEIPTS — even if you use your debit card.

TexFlex offers four types of accounts, and active employees might be eligible to enroll in up to three of them at a given time. The following charts show how each type of account can be used, and the rules that apply.

Optional Life and Voluntary AD&D Insurance

Financial security for you and your family

Your health coverage through ERS includes $5,000 Basic Term Life Insurance, with $5,000 of accidental death & dismemberment (AD&D) coverage at no cost.

Optional Term Life Insurance

During Summer Enrollment, you can apply for additional life Insurance in increments based on your annual salary. See your Personal Benefits Enrollment Statement for details on your current coverage and monthly premiums. Securian's Insurance Needs Calculator at www.lifebenefits.com/plandesign/ers can help you decide how much life insurance coverage you might need. Premiums and coverage amounts will be based on the salary reported to ERS on September 1, 2017.

You can update your ERS beneficiaries any time of the year.

Dependent Term Life Insurance

For an additional monthly premium, you can apply to enroll your eligible dependents in term life insurance. If approved, this benefit includes $5,000 term life with $5,000 AD&D for each covered family member. The benefit will be paid to you upon the death of a covered dependent or in the event of certain accidental injuries. Your monthly premium covers all your eligible dependents, but you must list each dependent on your policy.

Voluntary AD&D Insurance

Voluntary AD&D Insurance can provide additional financial protection for you and your family in the event of certain accidental injuries or accidental death. You can choose insurance in increments of $5,000, starting at $10,000 up to $200,000.

EOI is not required for AD&D coverage. You can sign up for coverage for yourself only, or for yourself and your eligible family members.

- If you die as the direct result of an accidental bodily injury, your beneficiaries receive the full coverage amount.
- If an eligible family member dies in an accident, you will receive part of the coverage amount.
- If you have an accident and suffer any of the covered injuries, such as loss of a hand, foot or sight of one eye, you will receive a benefit up to the full amount of coverage.
- If an eligible family member loses a hand, foot or sight of one or both eyes in an accident, you will receive a percentage of the benefit if you have coverage for that family member.

Evidence of insurability (EOI) is an application process during which you must provide information about you or your covered dependent's health. EOI is required for any life and/or disability insurance elections made after your first 31 days of employment. You or your dependent may be denied coverage based on information in your EOI application.
Texas Income Protection Plan℠
disability insurance

Childbirth, accident, illness – when you can’t work, the Texas Income Protection Plan (TIPP) provides you money to help pay the bills. TIPP disability insurance coverage is administered by ReedGroup.

- Short-term disability insurance coverage provides a maximum benefit of 66% of your monthly salary (up to $10,000) or $6,600, whichever is less, for up to five months (a maximum of 150 days). For example, if your monthly salary is $4,000, the highest amount you’ll get for short-term disability is $2,640 per month.

- Long-term disability insurance coverage provides a maximum benefit of 60% of your monthly salary (up to $10,000) or $6,000, whichever is less, for a period ranging from 12 months to normal Social Security retirement age, depending on your age at the time of disability. (Note: For some mental diseases and disorders, the maximum benefit period for disability is two years.)

Pre-existing conditions are subject to certain exclusions. You must use all of your sick leave (including extended sick leave, sick leave pool and donated sick leave) or complete a waiting period (30 days for short-term, 180 days for long-term), whichever option is longest, before disability benefits will be paid.

TIPP coverage is not available to family members.

Summer Enrollment Event Schedule

ERS and its plan administrators travel around the state, hosting events to help you make informed decisions about your benefits. You may attend any fair or presentation, not just those at your agency or institution. You can also join one of our webinars. All events are free and open to all employees.

Summer Enrollment fairs start at 10 a.m. and end at 1 p.m., with presentations starting at 10:30 a.m., unless otherwise noted.

To sign up for a webinar, go to the events calendar on the ERS website at www.ers.state.tx.us and click on the webinar you want to attend.

The Employees Retirement System of Texas (ERS) complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex. ERS provides free language aids and services, such as: written information in other formats (large print, audio, accessible electronic formats, other formats) qualified interpreters, and written information in other languages.

If you need these services, call: 1-877-275-4377, TDD: 711.

If you believe that ERS has failed to provide these services or discriminated in another way on the basis of race, color, national origin, age, disability, or sex, you can file a grievance by mail, fax or email:

Mail: Section 1557 Coordinator  
Employees Retirement System of Texas  
P.O. Box 13207, Austin, Texas 78711  
Fax: 512-867-3480  
Email: 1557coordinator@ers.state.tx.us  
For more information visit: http://www.ers.state.tx.us

You can also file a civil rights complaint with the U.S. Department of Health and Human Services online, by mail or by phone at:

Online: https://ocrportal.hhs.gov/ocr/portal/lobby.jsf  
Complaint forms are available at: http://www.hhs.gov/ocr/office/file/index.html  
Phone: 1-800-368-1019, 800-537-7697 (TDD).
