i. Your routing queue should be set up to automatically default. If not, complete the Approval Queues by clicking on the magnifying glass to select the appropriate approver’s name.

*Please note for GA HIRES – the DEPT will be your Graduate Coordinator for your area. If you wish to include your CHAIR, please add to your routing queue.

Very Important: In the comments section, indicate any information that could be relevant. Once comments are “saved”, they cannot be changed. Be careful with articulating comments. An EPAF user can make multiple comments to the EPAF and comments can be attached to the EPAF at any approval level.
7. Click **Save** and **Submit** to finalize your hire and to send your EPAF for approval.

8. Return to the EPAF Originator Summary and click on your History Tab to view the status of your EPAF.

If errors occur, review the Errors and Warning Messages Section at top of the EPAF. (Ignore the Warning Messages, correct the Error Messages) If no errors exist, your transaction has successfully submitted.
