HealthSelect provider network

BCBSTX is still working diligently to bring more doctors into the network. It is not unusual during a change like this to have some contracts complete quickly and others take a bit longer. Because the network process is not finished, information changes daily. We encourage members to check the online provider finder often, or to call a BCBSTX Personal Health Assistant at 1-800-252-8039. You can also call your physician's office to ask if they are in-network with HealthSelect of Texas/BCBSTX. It's extremely important to ask if they are “in-network with HealthSelect of Texas” as opposed to simply asking if they accept BCBSTX. You must identify our plan as the HealthSelect of Texas plan.

New medical and prescription drug ID cards

Prior to September 1, 2017, separate ID cards for medical and prescription drug coverage were mailed to every covered member, and their covered dependents, enrolled in HealthSelectSM of Texas and Consumer Directed HealthSelectSM. If you have not received new ID cards please call:

- Blue Cross and Blue Shield of Texas at (800) 252-8039, (TDD: 711) for medical ID cards; or
- OptumRx at (855) 828-9834, (TDD: 711) for prescription drug ID cards. Note: this is a new phone number for Optum Rx

Remember to update your doctors, hospitals and other providers that your medical insurance plan has changed.

If you received your HealthSelect BCBSTX medical ID card and it indicates “No PCP on File”, this indicates that your primary care physician (PCP) did not transfer from UHC to BCBSTX. Please call BCBSTX at 1-800-252-8039 to inquire about your designation. If your current PCP shows as non-network but is still in negotiations with BCBSTX, you may be able to continue to see him/her with in-network benefits. You may also need to designate a new PCP. Be sure that you have a PCP on file prior to your first office visit.
Dependent Certification

If you added dependents to medical coverage during the Summer Enrollment period, please remember that you will receive a request from Aon Hewitt to supply documents to support eligibility for state medical coverage. It is very important that you supply the documents by the date requested and make sure to receive confirmation from Aon Hewitt that the process is complete. ERS considers it the member’s responsibility to complete the dependent eligibility process and will cancel all benefits that the dependent is enrolled in if the process is not complete.

These new dependents will also need to designate a primary care physician with BCBSTX. You can designate by calling 1-800-252-8039 or on the BCBSTX Blue Access for Members (BAM) website.

Higher Costs for Out-of-Network Freestanding ERs

Effective September 1, 2017, BCBS HealthSelect of Texas participants will incur higher out of pocket costs for both emergency and non-emergency care at freestanding emergency rooms (such as ER Now 24/7 and Neighbors Emergency Center) that are not in the HealthSelect network. The participant will have to meet the out-of-network deductible, pay a higher copay and coinsurance. **The change in copay does not apply at hospital-based or hospital-affiliated emergency departments, such as United Regional Hospital ER and Kell West Hospital ER.**

The benefit for Consumer Directed HealthSelect is not changing – out-of-pocket costs for emergency care in these plans will include the current deductibles, copays and coinsurance.

The following link provides more information about out-of-pocket costs at freestanding emergency facilities: [http://www.ers.texas.gov/HealthSelect-freestanding-ERs](http://www.ers.texas.gov/HealthSelect-freestanding-ERs)

Virtual Visits - Consult a doctor anytime online or by phone

Getting sick never comes at a good time. When you don’t feel well or your child is sick, you may not want to leave home. With virtual visits, you and your covered dependents can talk to a doctor without leaving your home or office. A virtual visit is an option for you when you can’t get to your doctor or when you get sick while traveling.

Your copay for virtual visits may be as low as $0. HealthSelect℠ of Texas (In-Area) and HealthSelect of Texas (Out-of-State) members: $0 copay. Consumer Directed HealthSelect℠ - network deductible and then 20% coinsurance.

Please see the Virtual Visits flyer for more information.
