Partial Refund Protocol for December Graduates

Per Student Affairs and Enrollment Management Policy 4.152 – Police Department Administration and Regulatory Ordinances, students graduating in December are eligible for a partial refund of their vehicle registration fee [for that year].

Eligibility and Procedures

1. The student must have purchased a motor vehicle registration (parking) permit for the relevant academic year, in the student’s name.
2. The student must appear on the official December graduation list provided by the Registrar’s Office.
3. The returned permit must be intact and legible enough for parking staff to confirm that it is in fact the same permit that the student purchased earlier in the year. The final arbiter in determining whether the permit is in fact the permit in question is the Chief of Police.
4. The request form (see reverse) and returned permit must be received after the end of the fall semester, but prior to February 28th of the following year. Late submissions will not be accepted.
5. The permit is considered to be received if it arrives in the office via U.S. Mail or is accepted at the front counter, during normal business hours, by parking personnel.
6. The request form and permit may be mailed to:

   Parking Services Division  
   Midwestern State University Police Department  
   3410 Taft Blvd.

Or delivered in person to:
