The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act is a federal law that requires colleges and universities across the United States to disclose information about certain crimes on and around their campuses. A requirement of this law is timely notification to the campus community of certain crimes in a manner that will aid in the prevention of similar crimes.

MSU and the University Police Department strongly encourage everyone to be actively involved in his or her own safety and remember:

- Be aware of your surroundings at all times.
- Do not store large quantities of cash in your room.
- Lock your doors and windows anytime you are away from your residence.
- Consider engraving expensive electronic equipment and recording and storing the serial numbers.

Please contact the University Police Department at (940) 397-4239 if you have information regarding any of these incidents or any other offense.
