Entering undergraduate students beginning at MSU in the Summer I, Summer II, or Fall 2017 semesters are eligible to participate in Early Advising and Registration. To participate, students must be admitted to the university and appropriately tested (with TSI scores on file or exempt). This program affords new students the opportunity to register for classes as early as April 13! However, new students must also be sure to attend Summer or Early Orientation session. Or, their schedules will be voided, and they will have to re-register after meeting the university orientation requirement.

Each academic program is responsible for managing advising appointments; students will be directed to contact the department to schedule advising.

Summer I/II: Academic Advising

Summer I and II new students are eligible to participate in early advising and registration. Any previously unadvised students will report for academic advising during the times listed below:

Summer I Orientation
Thursday, June 1, 2-4pm

Summer II Orientation Options
Thursday, July 6, 2-4pm

On both dates, advising for all students (new transfer and BFR) will take place in the Mustangs Advising Center, or with a professional advisor in each academic college, unless otherwise communicated through the Deans’ offices.

NOTE - On the three Advising & Registration Days, students with TSI registration holds will report to the Clark Student Center following academic advising for hold removal.

Three Early Advising & Registration Days Confirmed

When students RSVP for Early Orientation, they also receive communication encouraging them to take advantage of Early Advising and Registration and to make an appointment with their academic advisor.

For students who choose to include Early Advising and Registration with their Early Orientation, three (3) designated advising/registration dates are scheduled during the summer in which faculty advisors will be present:

Wednesday, June 21
Wednesday, July 19
Wednesday, August 2

All students will go to their academic department for advising on these three days. Undeclared students will go to the MAC.

Students will be able to attend Early Orientation programs either the day before or the day after these Advising & Registration Days.

If your department has any kind of special situation or circumstance regarding advisor availability for a particular transfer-focused early orientation, please be sure to inform your respective Dean’s office and the Mustangs Advising Center so we can work to accommodate the entering students as best we can.

The Mustangs Advising Center (MAC) and professional advisors will advise all students on the Summer I and Summer II orientation dates. These sessions are only

MORE -- the Mustangs Orientation & Registration Experience -- is a series of events and support designed to give new students the opportunity to complete early advising, registration, and orientation. Stand-alone Early Orientation is a one-day summer event providing participants with important university information. Students and parents will become more familiar with campus, meet fellow classmates, and participate in activities specifically prepared for new students.

If you have any questions about M.O.R.E. 2017, please contact the Office of Student Development and Orientation at 940-397-4500 or email cammie.dean@mwsu.edu.
Transfer Students
There are no transfer specific early orientation dates. Each session of Early Orientation will include special presentations for students who have already completed one year of college.

Mustangs Roundup 2017
Scheduled for August 20-25, Mustangs Roundup will feature activities designed to build community, support students’ transition to MSU, promote campus resources, and establish connections. Friday, August 25, will focus on integrating new students into their respective colleges/majors.

Student Development & Orientation will publish the schedule for Mustangs Roundup in early August.

Academic programs are invited to:
• Host an **open house** or offer **tours** of the college for new students.
• Provide a **workshop** on major-specific career opportunities or internships.
• Showcase **student organizations** associated with your college or academic program.
• Sponsor an activity to encourage **new student interaction with faculty and returning students**.

Funding is available for colleges to assist in coordinating programs during Mustangs Roundup. See email address below for more information.

Please send any questions or event information to cammie.dean@mwsu.edu by July 31.
