As the campus continues to grow and expand, there is always something new coming up. So it led the staff of the Wai-kun to decide that this year’s theme would be Sealed and Delivered. With a consistent bustle of information, activities, communications, and commitments, at MSU, here it is,

Sealed and Delivered.
Campus Life is always busy at MSU. There are a ton of activities like Family Day and the Fantasy of Lights. Of course, there is always just hanging out with your friends and chilling in the residence hall. The point is, there is a lot of time spent on campus and it’s not always in the classroom or the library. After all we are in College.

Family Day

“The voice of parents is the voice of gods, for to their children they are heaven’s lieutenants.”
-William Shakespeare
Caribfest is a yearly event in early October sponsored by the Caribbean Students Organization. The festival is a melting pot of Caribbean music, food, and dance all orchestrated in an effort to raise money for local philanthropies. The celebration, with its intoxicating sounds, smells, tastes, and sights, is a much anticipated annual event at MSU, drawing the attention of students, faculty, and staff, as well as the greater Wichita Falls community.
For Homecoming 2007, Midwestern State University celebrated Maverick the Mustang’s first birthday. There were a lot of activities throughout the week, including a birthday party for Maverick. Students were invited to celebrate his first year here at MSU with cake, rock climbing, music, and other fun activities. Thursday featured the annual torchlight parade and bonfire, which was set up in a parking lot near the football practice fields. Many students and community members were able to attend and celebrate another great Homecoming! As usual, the t-shirt exchange before the bonfire allowed students to bring other colleges’ shirts and exchange them for new MSU ones. The exchange was a great success and shirts went fast. As tradition, the other colleges’ shirts were displayed on the bonfire before it was lit. Head coaches for MSU’s fall athletic teams had the honor of lighting the bonfire for the student body.
Homecoming 2007
The MSU-Burns Fantasy of Lights, which began more than 70 years ago, is one of the most spectacular Christmas displays of its kind anywhere in the United States. It has been featured several times on national television, and each year, thousands of visitors come from all parts of the country to enjoy the truly dazzling sight created by the more than 34 brightly-lit scenes and 20,000 lights outlining MSU’s Hardin Administration Building, Moffett Library, Bolin Science Hall, Central Plant, and D.L. Ligon Coliseum. It is a continuing memorial to a wonderful couple who wanted to share their Christmas spirit with others, and a tribute to the people of Wichita Falls who have worked so hard to bring its sparkle and wonder to the surrounding community each holiday season.
The Midwestern State Athletics Department dedicated April 12, to Jeff Williams, a redshirt freshman football player, who was going through rehab at the Baylor University Medical Center after he was critically injured in a late night automobile accident in February. Jeff Williams Sports Saturday featured the football spring game, a regular season softball game and soccer exhibitions. The day featured MSU’s annual spring game at the practice fields which was followed by an important Lone Star Conference North Division softball doubleheader at Mustangs Park. Simultaneously the men’s soccer team played a pair of exhibition contests at the MSU Soccer Field. Food, family fun, t-shirts, commemorative bracelets and inflatable games were made available between the game fields with all proceeds going to the Jeff Williams Fund.
The Men’s Soccer team made its first trip to the NCAA Division II Championship semi-finals in 2007. The Mustangs finished the season with an 18-3-2 record. It was a year to remember!
For the third year in a row, MSU’s Cheerleaders competed at the National Cheerleading Championships in Daytona Beach, Florida. Despite a last minute plague of injuries and other unforeseen challenges which included the entire teams’ luggage not arriving in Florida until hours before the competition, the squad finished fourth in the entire nation for NCAA Division II Small-Coed! This achievement tied a school best, and placed the Mustangs higher than any Division II college in the state of Texas!

Erin Kathleen Short, a chemistry major, was named the 2007-08 Hardin Scholar. This is the university’s highest award for academic excellence and was started in 1961 by the Hardin Foundation. It is presented each spring to a student during his or her senior year and a $2,500 award is given.

Short had previously been named a Presidential Leadership Scholar, Honors Program Scholar, and Harrison Pre-Med Scholar. She is a member of the Biology Club, Beta Beta Beta, Student Ambassadors, and UPB. Short also served as a Peer Counselor for Mustangs Rally and Spirit Days.
Kartaka Bell, was named the 2007-08 Clark Scholar. This award was established in 1976 to honor E.B. Clark, a former Chairman of the Board of Trustees of the MSU Foundation. It is presented each spring to a student in his or her junior year for academic excellence, and carries a $1,500 award.

Kartaka Bell is a member of Delta Sigma Theta Sorority, Inc., through which she has helped with community volunteer efforts. She is also a member of the French Club and NAACP.
Sports are not only fun and keep us fit, but they bring our community together. Several of us watch or play sports together and this year, MSU had great success, not only in the classroom, but also on the playing fields. Congratulations on your success Mustangs! Take a look at the Action!

Cheerleaders Go National

The MSU Cheerleaders were given another chance to compete in the National Collegiate Cheerleading Championships in Daytona Beach, Florida. Taking 21 students seemed like a bit of a challenge, but it was even harder when the DFW airport shut down flights to check most American Airlines airplanes. It was a rough start, but they made it to Daytona just in time and were able to show off their skills. Even after a few injuries, the team was able to take 4th in the Nation for NCAA Division II.

Clubs
Clubs are all over campus. No matter who you are, where you’re from, or what you like, you will find a club or organization you can relate too. It’s a place to make new friends, meet new people, learn, and just have fun. So enjoy it and find your Organization.

University Programming Board was created to be the programming board of the university that designs and initiates campus-wide events for all students. In doing so, UPB has brought in featured entertainers, a cinema series, and many other special events. UPB is a student led organization that strives to meet the entertainment needs of the entire student body through social, cultural, intellectual, and recreational programming.
The Student Government Association at Midwestern State University is the governing body which serves as the collective student voice. Within the Student Government lies the Student Senate, where all of the action takes place. The Student Senate is composed of student senators and the student government Executive Board. There are two types of senators: organization senators and class senators. Each registered student organization or club has one senator, and each class (i.e. freshman, sophomore etc.) has two elected senators. The job of the senators is to speak and vote on behalf of their respective constituents, while the purpose of the Executive Board is to orchestrate the functioning of the entire Student Government. This system of representation is designed to ensure that all students are represented, if not according to their interests and activities, by their class year.

Finally!

It’s been far too long, but it is finally here. The last published issue of the Wai-kun, the Written Record, at MSU. It’s a bitter sweet moment as technology takes over and pushes what people once held so dear, a scrapbook if you will, aside. The next volume of the Wai-kun will be the first digital-only version of the publication. We, the Wai-kun staff, hope you enjoy your 2007-2008 yearbook as a farewell worth remembering!
